

Democratic State Ticket

For Clerk of the Court of Appeals

THOS. J. HENRY,

OF MORGAN COUNTY.

FOR COUNTY JAILER,

AQUILLA B. LONG.

The Sebree Sunbeam is little but

she is loud in her advocacy of Christian

county's favorite son for Cur-

rier.

The opposition to Capt. Henry has

been down to the Louisville

Commercial and a few of its Demo-

cratic satellites.

There are lots of good things in the

Elizabethtown News but they should

be classified as one would know

where to look for them.

Mr. A. T. Wimberley, proprietor

of the Cadiz Telephone, was married

last Thursday to Miss Lulu Grady,

of Edyville, Lyon county. May

they live long and "be happy."

Five candidates for Superior

Judge are announced in this, the

Western district. McCracken, Lo-

gon, Davless and Henderson are the

counties offering candidates. There

are thirty-five counties in the Dis-

trict.

It is reported that Senator Hill

has sent his resignation to the Governor

of Georgia and that Senator Brown,

of the same state, also contemplates

resigning. Both of them are in bad

health. It is likely that ex-Senator

Jordan will be appointed to one of

the vacancies.

The Hartford Herald calls upon

Hon. E. Dudley, Walker of Hartford,

to make the race for Congress in the

Fourth District. Col. Walker is a

sound Democrat, an able lawyer and

a courteous gentleman and would

make the District an excellent Con-

gressman.

The Horse Shoe is the name of a

new paper just started at Hot Springs,

Ark., a copy of which lies upon our

table. It is a six column octavo and

Measur, Woolman & Allard are the

men at the helm. It combines many

features of both a newspaper and a

literary paper and we trust "good

luck" may characterize its career.

Capt. Henry and Col. Jacob, candi-

dates for Clerk of the Court of Ap-

pals, met in debate at Mt. Sterling

last week. Capt. Henry, while not

an orator, proved very conclusively

that he is abundantly able to take

care of himself and his array of facts,

caused Jacob to come out second

best to the discussion.

The Indian war in Arizona is about

over now and a careful summary

shows that 141 whites and Mexicans

and 500 head of stock were killed and

\$75,000 of property destroyed before

the handful of redskins were con-

quered. About 100 Indians were

killed and some captured while a part

of them escaped over the border into

Mexico and are still hiding in the

hills and cañons. Most of the hostile

band were annihilated.

We publish to-day a part of Mr.

McKenzie's great speech on the tariff.

The balance will be published next

week and we would advise all of our

readers to read it all carefully and

they will find it both instructive and

entertaining. The National Demo-

cratic Committee has had 10,000 cop-

ies of the speech printed for distribu-

tion and the Courier-Journal and other

dailies published it as a supple-

ment.

Ex-Pastor General Horace

Maryard, of Tennessee, dropped dead

at Knoxville last Wednesday, of

heart disease, in the 66th year of his

age. He had served several terms in

NONSENSE.

The Courier-Journal has \$500,000

worth of libel suits on its hands

Such is false.

Dan O'Sullivan's Russellville letter

got the Courier-Journal in a pretty

hot libel suit. The libel of it is

\$50,000.

Since it is becoming the style to

send millions of internal machines

through the mails, country editors

may well tremble in their boots.

A new ordinance prohibits dogs

from running at large in Owensboro

and if they follow attempts to put

up any more jobs on us we will make

the wretched remark that he had bet-

ter be shy of the point.

Henderson county with her usual

modesty has only two candidates for

Superior Judge. The rest of her

great men are patiently waiting to be

struck by Congressional lightning.

A skunk was killed on Main St. in

Louisville last week while making its

way to the Commercial office. It evi-

dently thought from the amount of

filth that has been in that paper's

columns recently, that its services as a

disinfectant were needed about the

office.

Joe Levissey and J. C. Egan Jr.

fought a Parisian duel in New Or-

leans last week with pistols. Of

course neither of them was hurt.

The trouble was about an article in a

newspaper reflecting on Egan's

father.

A. B. Long.

The Democratic party has, as yet,

united no county ticket. Indeed

it seems that the party lacks organiza-

tion as much as it does voters. It is

not likely that a ticket will be nomi-

nated. Last week a committee of

representative Democrats, appointed

by the County Committee, met and

recommended Aquilla B. Long, for

jailer, the three candidates for the of-

fice having agreed to let their claims

be settled in that way. Further than

this no action has been taken. As

Mr. Long has been endorsed by the

constituted head of the party in the

county, we to-day place his name at

the head of our columns and will

support him for jailer. He is a man

in every way worthy of being elected

to the office. He has served one term

and we doubt if the county has ever

had a better jailer. He is opposed

by Wyatt Wall, colored, and we call

upon the people of Christian county,

irrespective of politics, or party af-

fections, to choose between them.

Choose a man of character, integrity

and experience, a man who has made

a faithful, efficient officer. Watt

stated repeatedly on the stump that

his sole object was to get the money

in the office and with such a monu-

mentary object in view it is likely that

he will cure whether the duties of

the office are attended to or not?

We know Mr. Long will make a

good officer, then why experiment

with such characters as Watt?

Lord Frederick Cavendish, Chief

Secretary of Ireland and Sir Thomas

Henry Burke, Under Secretary, were

brutally assassinated in the public

park at Dublin, late Saturday after-

noon. Lord Cavendish was sworn in

at one o'clock Saturday and assas-

inated at 7. After tea he left his resi-

dence to take a walk with Under Sec-

retary Burke. The night was clear

and bright. A few minutes later

both Cavendish and Burke were

found lying dead, fearfully stabbed

and gashed. They were in the main

roadway almost under the shadow of

the Vice Regal Lodge. There is no

clue whatever to the assassins. A

couple of gentlemen who were riding

bicycles in the park state that they

Mr. H. H. Landefman, a popular and substantial farmer of Trenton, was in the city last week selling his tobacco. As an evidence that he knows a good thing when he sees it, he has taken two copies of the SOUTH KENTUCKIAN for the last three years. He called upon us while in the city.

Hon. Jas. A. McKee and wife returned home from Washington about two weeks since. Mr. McKee stopped in this city a day or two ago last week on his way back to Washington. His health is now quite good and if it continues so he will be a candidate for re-election and the man who can beat him has not yet been found.

The following society item, clipped from the Granada (Miss), Louisville, refers to a young lady well known in Hopkinsville society.

Miss Mary Gage left last Thursday afternoon for Louisville, Mississippi. She is one of our most popular young ladies, and her numerous friends wish her a pleasant trip and safe return. Miss Mary will be absent for some time, and we hope her stay in Louisville may be as enjoyable as she anticipates.

"United Volunteers."

The "United Volunteers" gave an entertainment at Mozart Hall last Tuesday night, which was in some respects the most satisfactory local entertainment ever given in the city. The singing was all good. Mr. Ceban's "Oscar Dear," brought down the house. The play, "Sweethearts," by Messrs. Clarke and Rust, and Misses Westfall and Waller, was presented better than any piece ever rendered in the city by amateurs. The broom drill, by a company of young ladies was a new and novel feature, which was followed by a burlesque mop drill by young men attired in female apparel. The receipts of the evening were a little over \$100. An additional \$20 was taken in at a matinee the following afternoon, given for the children. The net proceeds of the two entertainments amounted to \$75, which will be donated to the Public School Library fund.

Seriously Stabbed.

A cutting affair took place on the premises of Mr. Polk Canister one night last week. Jordan Bivens stabbed Ed Coleman in the side inflicting a serious but not necessarily fatal wound. They were both colored and the trouble was about a woman. Bivens it seems was parted from his wife and on the night in question visited her and learned that Coleman was in the house with the woman. He waited on the outside and when the latter came out stabbed him in the back. Dr. Andrew Seagrist dressed the wound and the chances are in favor of recovery. Bivens was arrested and his trial set for next Friday.

HERE AND THERE.

W. F. Patton, Life Insurance.

J. H. Winfree & Co., McCormick Machines and Plows. Strawberries are on the market.

The New, our independent neighbor, will support Long for Jailer.

Two hurls took place in the Cemetery last Thursday afternoon.

We have arranged to have the SOUTH KENTUCKIAN office lighted by gas.

Some complaint is heard that wheat was blown down by the wind last week.

The Tobacco Leaf says there have been no new cases of small-pox in Clarksville and that the danger is over.

A call was made upon Mr. R. W. Henry in the New Era of last week to become a candidate for county attorney.

Evergreen Lodge, No. 33, K. of P., has admitted eleven new members this year. Two others have taken one degree. There are now nearly 100 Knights in good standing.

Mr. L. W. Means got up a lot of hands a few days since and gave the Princeton road a thorough working as far as the forks of the road. It has been a very bad road for a long time and the working was very much needed.

Dublin Campbell, one of Gov. Blackburn's pardoned convicts, in company with another negro stole two head of cattle from Maj. John P. Campbell last week and sold them to Onie, the butcher, for \$35. Rattcliffe was arrested but Campbell is still at large.

About three weeks ago a man named Wells stole a mule from Mr. Branno near Casey. Wells was captured a few days since and tried before an examining court and held over till Circuit Court under a bond of \$100. Being unable to give this he was sent to jail.

The South Kentuckian will be published daily during the meeting of the General Association May, 24, 25, 26 and 27. The daily will be a 24 column sheet and will be distributed gratuitously. It will be an excellent advertising medium as the city will be crowded with visitors.

The city has purchased a new bell for the fire department. It arrived last week and is a very large one. It weighs 800 pounds and can be heard for miles. It will cost when erected \$250 and it supplies a long-felt need, as one of the church bells has been used heretofore to give fire alarm.

The name of the Chesapeake Gas Company has been changed to the Southern Gas Company. The company have secured so many more consumers here than they expected that they will have to increase the capacity of their works. They estimate to turn on the gas about the 1st of June.

Pedro Emmanuel recently resigned his position as superintendent of Mr. Metcalfe's news depot, to accept the position of office man of the telephone exchange. He has acquainted himself with the workings of the telephone lines and is now prepared to keep them in good order, oil the machines and put up new ones. He is assisted in the office work by Joe Dick Higgins.

Dr. Dunham an itinerant lecturer delivered a free lecture at the City Court room Wednesday evening. Few persons were present when he began but the room soon became filled, when it got out that the speaker was making one of the most interesting, interesting and humorous lectures ever heard in the city. His subject was "Imagination, or the man of nerve." He spoke for over an hour and in the last fifteen minutes of his speech briefly called attention to Warner's safe remedies.

The Big 4 Minstrel show at Mozart Hall was without doubt the best minstrel performance we have ever seen in the city. There was nothing indelicate about it at all and many ladies were in attendance. The jokes and songs were mostly new, the music, both vocal and instrumental was excellent and the burlesques were simply "limousine." The farce "Practical Jokes," was something original and very laughable. The gross receipts of the evening amounted to \$115, which was much more than an average house.

The Baptist Sunday School picnic at the Fair grounds, we understand, was a very pleasant affair. Speeches were made by Messrs. Jno. O. Rust and J. W. Dowd which were appropriate to the occasion. We had intended to attend, but unforeseen circumstances debarred us the pleasure and we were forced to remain a prisoner in our office all day, while the young people were having a happy time. We were with them in heart and spirit and deeply regretted our inability to attend.

On last Saturday morning while old Uncle Johnnie Montgomery was working some flowers in the yard of Mr. E. P. Campbell, he had occasion to strike at a vicious dog belonging to Mr. Campbell, which immediately sprang for Uncle Johnnie's throat, and succeeded in inflicting a severe wound thereon. He choked him off, and the dog again seized him by the right arm. In the scuffle the dog loosened his hold upon the right and fastened his teeth in the left. He finally succeeded in choking him off, but not until he had crippled Uncle Johnny up pretty badly. It will be some time before he will get on his feet again.

Several couples of young ladies and gentlemen came down from Elkton Saturday and visited the Asylum. The party consisted of Mr. Pat Morris and Miss Belle Lewis; Mr. Thad Coleman and Miss Georgia Deeds; Mr. Chas. Cornwell and Miss Mattie Chestnut; Mr. Jas. Edwards and Miss Ida Bradshaw and Mr. Sam Chestnut and Miss Helen Trabe. They made a gay party and left for Elkton about 4 o'clock. From the indications we would judge that several of the pairs had love affairs on hand. The crowd halted in the street and the young ladies were treated to soda water and lemonade while the boys were called around the corner, at a time, "to see a man." We noticed one or two ex-Tool county boys who have sweethearts in Elkton, making inquiries of the crowd.

Rev. E. C. Powell, of Virginia, has been called to the pastorate of the Christian Church. He is quite youthful but possesses both ability and eloquence of a high order. He preached two sermons Sunday and made a very favorable impression upon all who heard him. He is a nephew of Rev. R. C. Cave and resembles him very much in manner, tone and style of delivery.

The examination of applicants for teachers' positions in the Public School took place last Friday and Saturday. Nine young ladies were examined. The names of the successful ones have not yet been announced.

The Al Clark Club will take an excursion to Pilot Rock next Friday. About fifteen couples of young people will go and a fine time is expected.

A basket meeting was held at West Union church Sunday for the purpose of organizing a Sunday school. A good many persons from the city attended.

A postal card has been sent to the post-mistress at this place, by W. T. Lewis, of Louisville, Miss., inquiring for information concerning the heirs of Zoloharish and Mary Ray.

There will be services at the Catholic church every evening this week, conducted by Rev. Father Hayes.

PEAY:—At his home in Pembroke, this county, Tuesday, May 2nd, 1892, Rev. R. D. Peay, formerly of Henderson, Ky. He was for some years pastor of the Baptist church in Henderson and resigned his pastorate to accept the position of Principal of Henderson Public Schools. He was compelled to resign this position also on account of ill-health. He traveled a good deal and some months ago accepted the pastorate of Bethel church at Penrose. His health again became bad and he continued to grow worse until he died last week. He was a young man, popular as a minister and universally esteemed as a man. He leaves a wife and small family. He was a member of the Masonic Fraternity and was buried by the Masons at Henderson.

Hon. May, 3rd 1892.
Harry Garner, E. M. Black, R. Y. Pendleton, J. M. Avant and others: Gentlemen: I feel grateful for the good opinion of me contained in your call to become a candidate for County Judge, and feel that it is your privilege, rather than my merit, which leads you to honor me thus. I regret very much to be compelled to refuse to accept your request, and hope sincerely you will do me the credit to believe that I am actuated in so doing by no factious opposition, or disregard for the wishes of friends, whose opinions are dear to me, but by a higher duty, which I believe I owe to my home interests and the true welfare of my children.

Very Respectfully Yours,
AUSTIN PEAY.

To The Farmers

OF

Christian And Trigg COUNTIES:

It is our purpose to give the farmers who contemplate buying a Binder an opportunity to determine for themselves by actual comparison which is the best self-Binder offered for sale, and to do this effectually they should see the different Machines at work. We therefore offer to put the Walter A. Wood Twine Self-Binder in the field against any other Binder offered for sale on this market, the farmer agreeing to take and pay for the one that, in his judgment, does the best work. We make this proposition in good faith, and as long as we have machines on hand we are prepared to enter the field on these terms. We have no agents in the country but will always be pleased to see the farmers at our house in Hopkinsville and show them our machines.

Respectfully, Cowan, Huggins & McKee.
